# The VectorVest Philosophy

**VectorVest believes  
every investor should know:**

What a stock is really worth,

How safe it is and,

When to buy sell or hold.

***This is information you can't get anywhere else!***

# The VectorVest Philosophy

VectorVest believes in buying safe, undervalued stocks rising in price in rising markets. We also believe in selling falling stocks in falling markets.

# The VectorVest Philosophy

VectorVest believes the stock market is driven by  
Earnings, Inflation and Interest Rates.

# The VectorVest Philosophy

Stock Value Increases when:  
Earnings go up,  
Inflation goes down, and  
Interest rates goes down!
